COMENTARIOS DEL VENDEDOR

The splendor of San Miguel living starts as you enter this amazing property tucked in a lovely quiet street right in the heart of Centro. Open the door to a typical elegant hacienda-style home featuring all the architectural colonial elements that make you feel in the heart of Mexico. The main floor has an enjoyable outdoor living room with hand carved cantera fireplace opening onto a cozy patio with fountain. This floor also boasts a classic Talavera tile Mexican kitchen with adjacent dining and living room around a hand-carved stone fireplace for cool winter evenings and an additional patio for dining al fresco. There is one Master bedroom on the main level that open into another colonial patio, and a beautiful large tree brings fresh air and green views. On the second level you'll find other ample suites each with their own bathroom that have acces to the rooftop terrace; all 3 suites with privacy, balconies, high ceilings, and good space. As two incredible bonuses: this elegant home also offers a garage and is completely furnished. Enjoy al fresco meals while entertaining your friends and family in either the gorgeous roof top terrace or the patio located on the main level. And did I say Great views and charming street only a few blocks away from the main square or Jardín, as locals call it? This house is the perfect place to experience high-end living in the heart of this quaint town. * Cooperative Agent. EasyBroker ID: EB-DE5108
