Private Palm Villas inspired by Nature

Calle: Col: Paraíso del Carmen,
Solidaridad, Quintana Roo

COMENTARIOS DEL VENDEDOR

With the villas dynamic architecture it seems perfectly embedded into nature. Unmatched in security, privacy and style these 4-5 bedroom palm villas come with a private swimmingpool as well as a private hot tub. The large and beautiful terrace as well as private garden may create pleasant and enjoy full experiences with friends, family and beloved ones. Moreover, the brilliant cubic architectural design allows future customers to choose from various layout possibilities, making it your own unique palm villa. Next to the outdoor areas each villa has its own living room area, laundry room, family room and kitchen which are built with high-quality materials and finishes. In addition, the gated community offers a lot of amenities such as: an art gallery, gym, spa, pool clubs, yoga studios, lounge bar, beach store, concept store, restaurants and a clubhouse. Remarkably an additional amenity of the gated community is its own award winning golf course which every owner has guaranteed access to. EasyBroker ID: EB-IV7628
